Based on schedules, Thursday (9/13) or Friday (9/14) afternoon would work best for DNR. We can discuss this afternoon.

Jim:

See Chuck's e-mail below. It seems from your calendar that you are back from vacation. I assume that you will take this up – maybe this should be a topic of our call with EPA this afternoon?

Subject: AGC request for conference call

Counsel for AGC called me this morning and requested a conference call for late in the week of September 10. He indicated that AGC is awaiting a County mark-up of the MOU and that AGC is still working on the well certification issues with the State.

Potential times that work for EPA folks are:

Wed. 9/12: 2-4
Th 9/13: 9-10, 1-2 and 3-4
Fr 9/14: 12-3

Please let me know who at WDNR wants to participate and your time preferences. After I hear from EPA and WDNR folks, I will respond to AGC when I return on Wednesday from the long weekend.
